

Directions

Using this map, we are easy to find from Junction 2 of the M40 – Ignore your Sat Nav, it will misdirect you!

■ Take the turning into the motorway services. At the roundabout turn left on to Hedgerley Lane.

■ After 0.6 mile, look for a gate on your left, leading to a private bridge over the motorway. This is the entrance to Hyde Farm.

■ You will find The Old Barn at the end of the approach road, and there is a large car park.
